

Adult Traditional Mental Health Services

Program Description: The adult mental health services program provides outpatient mental health services which include medication support, individual therapy, group therapy, and case management services for seriously mentally ill adults.

Eligibility Criteria: Persons must be 18-59 years of age; MediCal (and may also have Medicare) eligible and must meet medical necessity. Individuals may be voluntary, court ordered, or conserved.

Referral Sources/Referral Procedures: Individuals must be referred to the program by the Santa Clara County Call Center. Transfers may occur from other service providers.

Client Fees and Payment Requirements: MediCal Billing: Certain MediCal clients have a share of cost.
