

FIRST 5 HOME VISITATION

Program Description: Home Visitation services are offered to children ages 0-5 who have insurance through Medi-Cal, Healthy Kids and Healthy Families. The program strives to strengthen family functioning, enhance parent-child interaction, develop positive effective parenting skills, provide literacy skills, support early care and education, identify health related issues, maximize community resources and promote healthy child development.

Services are offered within Santa Clara County, within the client's home, or an agreed upon convenient, safe location.

Eligibility Criteria: Children 0-5 with Medi-Cal, Healthy Kids or Healthy Families insurance.

Referral Sources/Referral Procedure: Referrals may be made through the Early Childhood Education/Power of Preschool Sites, Head Start, Differential Response, Pediatricians/Public Health Nurses, Courts, MECCA, and the Community

Referrals can be made to Rosa Ontiveros at (408) 846-4745, and for more information regarding referral process call Rosa Ontiveros at 408-846-4745

Client Fees and Payment Requirement: MediCal Billing: Certain medical clients have a share of cost. Healthy Kids and Healthy Families.
