

## **FIRST 5 THERAPEUTIC SERVICES**

Program Description: Therapeutic services are offered to children ages 0-5 who have insurance through Medi-Cal, Healthy Kids and Healthy Families. Therapeutic services support families who face serious barriers to their child's healthy development by focusing on self-esteem building, positive parent-child relationships, and healthy social/emotional development. These services are outcome driven and utilize strength-based models of mental health treatment.

Services are offered within Santa Clara County, within the client's home, or an agreed upon convenient, safe location.

Eligibility Criteria: Children 0-5 with Medi-Cal, Healthy Kids or Healthy Families insurance.

Referral Sources/Referral Procedure: Referrals may be made through the Early Childhood Education/Power of Preschool Sites, Head Start, Differential Response, Pediatricians/Public Health Nurses, Courts, MECCA, and the Community.
