

Community Solutions

Volunteer Advocate Training

Give support and a voice to victims of sexual assault, intimate partner abuse and human trafficking

You will learn how to:

- Provide peer support to survivors at our confidential shelter
- Assist with legal advocacy and court accompaniment
- Provide in-person responses for survivors in crisis
- Lead prevention, education and outreach presentations

Each year, Community Solutions provides:

Crisis intervention to over 700 survivors of sexual assault and intimate partner abuse

Shelter to more than 75 battered women and their children at our confidential safe house

Prevention and outreach to more than 3,000 community members
