September 2020

Dear Business Leader:

We may be going virtual this year but the needs in our community are very real. I invite you to sponsor our 2020 virtual event – **It Starts With YOU!** – to help the children, families and individuals in our local community who are still struggling due to COVID-19.

Every day local children, youth and adults face the challenges of mental illness, domestic violence, sexual assault, severe poverty, child abuse, homelessness and more. In the past few months, COVID-19 has made their challenges that much harder to overcome.

But you can help! You can provide them with the immediate support they need to survive day-to-day while giving them the essential tools, support and services to help them make lasting change in their lives. *You can be part of their success!*
