## INDEPENDENT AUDITOR'S REPORT

Board of Directors  
Community Solutions for Children, Families and Individuals  
Gilroy, California

### Report on the Audit of the Financial Statements

#### Opinion

We have audited the accompanying financial statements of Community Solutions for Children, Families and Individuals (Community Solutions), a California non-profit organization, which comprise the statements of financial position as of June 30, 2025 and June 30, 2024, the related statements of cash flows for the years then ended, the related statements of activities and functional expenses for the year ended June 30, 2025, and the related notes to the financial statements. In our opinion, the financial statements present fairly, in all material respects, the financial position of Community Solutions as of June 30, 2025 and June 30, 2024, the changes in its cash flows for the fiscal years then ended, and the changes in its net assets for the fiscal year ended June 30, 2025 in accordance with accounting principles generally accepted in the United States of America.

#### Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Community Solutions and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Community Solutions' ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements. In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Community Solutions' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statement.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Community Solutions' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

### **Supplementary Information**

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards for the year ended June 30, 2025, as required by Title 2 *U.S. Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, California Office of Emergency Services (OES) supplementary information for the year ended June 30, 2025, as required by OES, and schedule of state and local awards are presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal, state, and local awards is fairly stated, in all material respects, in relation to the financial statements as a whole.

### **Other Reporting Required by Government Auditing Standards**

In accordance with *Government Auditing Standards*, we have also issued a report dated October 14, 2025 on our consideration of Community Solutions' internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Community Solutions' internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Community Solutions' internal control over financial reporting and compliance.

### **Report on Summarized Comparative Information**

We have previously audited Community Solutions' June 30, 2024 financial statements, and our report dated October 14, 2024, expressed an unmodified opinion on those audited financial statements. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2024, is consistent, in all material respects, with the audited financial statements from which it has been derived.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:**

**Basis of Presentation**

The Agency is required to report information regarding its financial position and activities according to two classes of net assets: Without donor restrictions and with donor restrictions. Without donor restrictions are defined as that portion of net assets that has no use or time restrictions. With donor restrictions are defined as those that consist of a restriction on a specific use or the occurrence of a certain event. The financial statements of the Agency are prepared on the accrual basis of accounting. Accordingly, revenues are recognized when earned, and expenses are recognized when incurred.

**Contributions**

Contributions are recorded as without donor restrictions or with donor restrictions, depending on the existence or nature of any donor restrictions. In addition, pledges and unconditional promises to give are required to be reported as restricted support upon date of notification and are then released from restrictions upon satisfaction of the time or use requirement. If a restriction is fulfilled in the same time period in which the contribution is received, the Agency reports the support as unrestricted.

**Investments**

Investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the statements of financial position. As of June 30, 2025, and June 30, 2024, the Agency's investments consist of funds held and administered by the Gilroy Foundation. The Agency has adopted ASC 820-10-50, *Fair Value Measurements*, which establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. For its investments, the Agency utilized Level 1 inputs, consisting of unadjusted quoted prices in active markets for identical assets and having the highest priority. Level 2 and Level 3 inputs were not utilized.

**Cash and Cash Equivalents**

For purposes of the statements of cash flows, the Agency considers all highly liquid investments available for current use with an initial maturity of six months or less to be cash equivalents. Included in cash as of June 30, 2025 and June 30, 2024 are several certificates of deposit restricted as to usage totaling \$39,822 and \$38,356, which carry immaterial early withdrawal penalties. The carrying amounts reported in the statements of financial position approximate fair values as a result of the short maturity of these instruments.

**Accounts Receivable**

Accounts and grants receivable are shown net of allowances of \$605,875 and \$78,793 for private program service fees and contract billings as of June 30, 2025 and June 30, 2024, respectively. Bad debt expenses charged to operations during the years ended June 30, 2025 totaled \$527,082.

**Income Taxes**

The Agency is exempt from Federal income taxes under Internal Revenue Code Section 501(c)(3), from California income taxes under Section 23701(d) of the California Bank and Corporation Tax Law, and has been determined to be an organization that is not a private foundation. Management has determined the implementation of ASC 740-10-65 did not have a material impact on its financial statements. Tax years for the years ended June 30, 2022 through June 30, 2025 remain open for examination by taxing authorities.

**Indirect Expenses**

The Agency has in place a cost allocation plan employed to allocate indirect expenses to each program on a basis proportionate to the direct staff time or other cost driver used for each program.

**Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**Depreciation**

Fixed assets are reported at cost, or donated value, and are depreciated using the straight-line method over the estimated useful lives of the assets, ranging from five to forty years. The Agency's policy is to capitalize fixed asset additions in excess of \$1,000. At June 30, 2025 and June 30, 2024, the cost and related accumulated depreciation for such assets is as follows:

	<u>2025</u>	<u>2024</u>

Depreciation and amortization expense charged for the years ended June 30, 2025 and June 30, 2024 was \$55,421 and \$81,330, respectively. In addition, for the years ended June 30, 2025 and June 30, 2024, \$247,839 and \$193,582, respectively, of equipment and furniture purchased with grant funds, normally capitalized, has been expensed due to the grantor retaining a reversionary interest in title. No asset impairment was recognized by the Agency during the years ended June 30, 2025 and June 30, 2024.

**Comparative Information**

The financial statements include certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Agency's financial statements for the year ended June 30, 2024, from which the summarized information was derived.

**Compensated Absences and Vacations**

All eligible full-time employees accrue fifteen days of paid vacation during the first continual year of service. This amount is increased to twenty days after five years, and twenty-five days after ten years. Upon separation, the terminating employee is directly compensated for unused vacation leave. Holidays that fall on vacation periods are not charged against vacation time. Accrued vacation may not be carried beyond eighteen months unless approved by the Executive Director. All regular employees are entitled to be paid sick leave at the rate of twelve working days per year consistent with the number of hours comprising their particular working agreement. Upon separation, under any circumstances, the employee is entitled to sick leave pay at the rate of sixty-five percent of the remaining sick leave, not to exceed 80 hours. In the event of sickness or death in the immediate family of an employee, the employee shall be granted three days of leave of absence with full pay. Such leave will not be subtracted from regular sick leave. Employees are granted a leave of absence with pay at any time they are required to report for jury duty.

**Donations**

All donations are considered to be available for unrestricted use unless specifically restricted by the donor. Donated services, materials and equipment are reflected as contributions in the accompanying statements at their estimated fair market value at date of notification.

Advertising

The Agency charges all advertising costs incurred to operations as a current expense.

Legacies and Bequests

Legacies and bequests are received by the Agency under various wills and trust agreements. The amounts are recorded upon legal validation.

Revenue Recognition, Grants Receivable, and Grants Payable

The Agency recognizes revenue from its revenue generating activities under FASB ASC Topic 606, Revenue from Contracts with customers via the following steps:

- Identification of the grant or contract with a grantor or customer
- Identification of the performance obligations in the grant or contract
- Determination of the transaction price
- Allocation of the transaction price to the performance obligations in the grant or contract
- Recognition of revenue when, or as, the Agency satisfies a performance obligation

The Agency receives cost reimbursement contract revenue as well as fixed rate contract revenue. Revenue is recognized when the corresponding service has been provided according to the agreement, subject to the contract limit, if any. Under fixed rate contracts, the Agency agrees to provide certain services in specified quantities at a prescribed rate per unit of service provided. Certain contracts have provisions for annual settlements to provide for recovery of costs for service capacity required to be provided, but not utilized, and for repayment of amounts billed in excess of contract limits. Estimated settlements are accrued by the Agency as a grant receivable or grant payable for contracts for which cost reports have not been finalized. The carrying amounts for grants receivable and payable reported in the statements of financial position approximate fair values as all amounts are expected to be received or paid within one year.

**3. INVESTMENTS:**

Investments are presented in the financial statement at fair market value based on the closing stated value published on the public exchanges on June 30, 2025 and 2024. The investments are not insured.

As of June 30, 2025, the cumulative accrued interest payable under these loans is \$149,224, including a current provision for the County of Santa Clara loan that matured May 2016. In addition, the Agency has in place a line of credit of \$1,500,000 at an interest rate of 9.00% maturing December 2026. Terms of this facility require the Agency to maintain certain financial measurements and conditions for usage. As of June 30, 2025, Agency management believes all required measurements and conditions were met. This facility is secured by the Agency's personal property, and as of June 30, 2025 had no amount outstanding. The existing schedule for the retirement of long-term debt, without regard to additional provisions of forgiveness, is as follows:

**6. FACILITY LEASE COMMITMENTS:**

The Agency has adopted FASB ASU 2016-02, *Leases*. This ASU requires lessees to recognize assets and liabilities on the statement of financial position for leases with lease terms greater than twelve months. The recognition, measurement, and presentation of expenses and cash flows arising from a lease by a lessee primarily will depend on its classification as a finance or operating lease. The Agency elected the practical expedient to account for both non-lease and lease payments in its contracts as a single lease component. For leases that commenced before implementation, the Agency elected the permitted practical expedient to not reassess the following: (i) whether any expired or existing contracts contain leases, and (ii) initial direct costs for any existing leases. Right of use assets and liabilities are recognized at the commencement date, based on the net present value of the fixed lease payments over the lease term, using the Agency's incremental borrowing rate based on the information available at the commencement date in determining the present value of the lease payments.

The lease for the Agency's administration office expires in December 2027, and requires monthly rental payments of \$48,158. In addition, the Agency is committed under several other facility leases expiring through May 2029. Monthly rent commitments under these additional leases are \$65,296. Rent expense paid totaled \$1,672,851 and \$1,643,727 for the years ended June 30, 2025 and June 30, 2024, respectively. Existing future annual facility lease commitments are:

Year ending June 30, 2026	\$968,234
Year ending June 30, 2027	796,532
Year ending June 30, 2028	513,585
Year ending June 30, 2029	184,662

**7. EQUIPMENT LEASE COMMITMENTS:**

The Agency is obligated under several non-cancelable operating leases expiring December 2026 for the rental of certain office equipment. The minimum annual rental payments under these equipment leases are:

Year ending June 30, 2026	\$31,004
Year ending June 30, 2027	21,724

Total payments made under all equipment lease agreements were \$49,564 and \$33,168 for the years ended June 30, 2025 and June 30, 2024, respectively.

**8. RETIREMENT PLAN:**

The Agency has adopted a policy whereby it will match an employee's contributions to an individual 403(b) tax deferred annuity account, up to 5% of the employee's gross salary. For the years ended June 30, 2025 and June 30, 2024, the Agency's contributions totaled \$649,437 and \$562,899, respectively.

**9. GRANTS PAYABLE, DEFERRED REVENUES AND COST REPORT SETTLEMENTS:**

As of June 30, 2024 the Agency had reserved \$3,441,399 as deferred revenues pending cost report reconciliation with Santa Clara County. During the year ended June 30, 2025, the County completed its cost report reconciliation process which resulted in a decrease of \$2,630,993 of amounts owed for prior years. This has been presented as a change in net assets, other in the statement of activities.

**COMMUNITY SOLUTIONS

NOTES TO FINANCIAL STATEMENTS

**10. CONCENTRATIONS and CONTINGENCIES:**

At times during the fiscal year, the Agency maintained cash balances in excess of insured levels at one financial institution. In addition, approximately 85% of the Agency's operating revenue base is derived from contracts and grants with various governmental departments of the County of Santa Clara. Approximately 80% of the Agency's employees are covered under membership in a collective bargaining agreement scheduled for renewal November 2025. The health care industry is subject to numerous laws and regulations of federal, state, and local governments. In addition, the Agency, during the normal course of operating its business, may be subject to various lawsuits, licensing reviews, and government audits. Management believes that losses resulting from these matters, if any, would either be covered under the Agency's insurance policy or immeasurable. Management further believes the losses, if any, would not have a material effect on the financial position of the Agency.

**11. LIQUIDITY AND AVAILABILITY:**

As part of the Agency's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. To help manage unanticipated liquidity needs, the Agency has a committed line of credit in the amount of \$1.5 million through December 2026, which it could draw upon. The Agency's financial assets that are available within one year of June 30, 2025 and June 30, 2024, are as follows:

## INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Directors of  
Community Solutions for Children, Families and Individuals  
Gilroy, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of Community Solutions for Children, Families and Individuals, which comprise the statement of financial position as of June 30, 2025, the related statements of activities, cash flows and functional expenses for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated October 14, 2025.

### **Internal Control over Financial Reporting**

In planning and performing our audit, we considered Community Solutions for Children, Families and Individuals' internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Community Solutions for Children, Families and Individuals' internal control. Accordingly, we do not express an opinion on the effectiveness of Community Solutions for Children, Families and Individuals' internal control. A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. Our consideration of internal control was for the limited purpose described earlier in this paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Community Solutions for Children, Families and Individuals' financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

## INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Directors of  
Community Solutions for Children, Families and Individuals  
Gilroy, California

### Report on Compliance for Each Major Federal Program

#### Opinion on Each Major Federal Program

We have audited Community Solutions for Children, Families and Individuals' compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on each of Community Solutions for Children, Families and Individuals' major federal programs for the year ended June 30, 2025. Community Solutions for Children, Families and Individuals' major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. In our opinion, Community Solutions for Children, Families and Individuals complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2025.

#### Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report. We are required to be independent of Community Solutions for Children, Families and Individuals and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Community Solutions for Children, Families and Individuals' compliance with the compliance requirements referred to above.

#### Responsibilities of Management for Compliance Responsibility

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts and grant agreements applicable to Community Solutions for Children, Families and Individuals' federal programs.

#### Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Community Solutions for Children, Families and Individuals' compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Community Solutions for Children, Families and Individuals' compliance with the requirements of each major federal program as a whole. In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit

- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Community Solutions for Children, Families and Individuals' compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Community Solutions for Children, Families and Individuals' internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Community Solutions for Children, Families and Individuals' internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

#### **Report on Internal Control Over Compliance**

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance. Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified. Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
